Enquiry from Jenna about when EPA mark-up of MB NEPA language on Adaptive Mgmt Strategy will be sent to them? I couldn't remember if Phil was back in today or not ...

Hello friends -- where are we on edits to the paper Leonard sent over? I may have missed it in my 977 e-mails.

Also, as a follow-on to yesterday's meeting, would it be possible for BLM to be briefed on the U&O tribal rule/FIP? It sunk in yesterday that the rule is for Indian Country, so implicates much of our Vernal Field Office.

Thanks. j
